### DAILY ADMISSION RATES

\*Daily admission may be paid in cash or credit (Visa, MC, AMEX or Discover)

AGE 2yr & Up	RESIDENT \$8.00	NON-RESIDENT \$11.00
--------------	-----------------	----------------------

- All pass holders must have their pass scanned in order to enter the facility.
- Any person, age 2 and up, who does not possess a pass must pay the daily admission.
- Any patron paying daily admission must show proof of residency otherwise the non-resident rate will apply.
- Daily admission fees can not be deducted from a season pass purchase.
- Lost passes must be replaced to gain entrance to the pool. Replacement passes are sold for \$5.00.
- Payment receipts will not be accepted for entrance after 5 days of initial purchase, not pool opening.
- Senior residents and non-residents receive a discount off pool pass rates, not daily admission rates.
- Children under 10 will not be admitted to enter unless accompanied by someone 18 years or older at all times who will bear responsibility.
- Everyone entering the facility must have proof of paid admission or season pass. Swimsuits are required to enter the water. All additional clothing must be clean and may require manager approval. Leotards, jeans, cut offs, shorts or street clothes are not permitted in the water. Those not in swimming attire that wish to remain in the facility must remove street shoes and may be restricted to designated area(s) within the facility.
- Pool passes are non-transferable, non-refundable and can not be prorated.
- Family passes, resident or non-resident, are restricted to persons residing in the same household at the same address. For pool pass memberships, a family household is defined as adult(s) and their dependents as listed on IRS tax form 1040. Multiple families living at the same address are considered a separate household and must purchase a separate pass. You will be required to show proof of same household residency.

To receive the discounted resident rate, the following guidelines apply.  
Please be prepared with all paperwork at time of registration.

Adults 18 and over: A current driver's license or state ID and one of the following:  
A recent utility bill (water, gas, electric) . Most recent real estate tax bill  
A current signed renter's lease . A signed home purchase contract  
Current automobile registration . Most recent IRS form 1040 (top portion only)

Children under 18 (a parent or guardian must register a minor)  
Parent/guardian's current driver's license or state ID and one of the following:  
District 92.5 2023/2024 report card . Birth certificate of each minor  
Most recent IRS form 1040 (top portion only)

- Families residing in a multi-unit building are considered separate households and will be required to show proof of same household residency.
- Babysitters, nannies, or au pairs must purchase a separate individual pass based on their residency.
- Misuse of a pool pass will result in a forfeiture of the violator's pass without refund, and possible loss of facility use for the season.

The park district will abide by all CDC Guidelines and State mitigations while adopting necessary changes as new information becomes available.

## LIFEGUARD CERTIFICATION

Are you interested in being a lifeguard? Register for this Lifeguarding Class and learn how to recognize hazardous situations to prevent injury, supervise swimmers, minimize dangerous situations, educate facility users about safety and enforce rules and regulations. This class includes CPR for the Professional Rescuer and First Aid. Materials included in class fee. Bring your suit, towel and pen to class daily. Refunds will not be issued to any participant who does not successfully complete the eligibility requirements below or the certification course. Successful completion of this class does not guarantee employment with the Westchester Park District. If it is your intention to apply for a lifeguarding position at Westchester Park District, please submit an application to the community center front office no later than May 1st. To be eligible for the Lifeguarding course, participants must successfully complete a series of prerequisite endurance and physical skill testing to include but not limited to the following:

- \* Swim 300 yards continuously with front crawl and breaststroke.
  - \* Swim 20 yards, surface dive 12 feet, retrieve a 10 pound brick and return to starting point (timed).
  - \* Tread water for 2 minutes with the use of legs only.

## GUARD START

Junior Lifeguard Program

Can't wait to be learning guarding skills? This program is designed to guide youth to the American Red Cross Lifeguarding program by building a foundation of knowledge, attitudes, and skills for future lifeguards. This foundation consists of five categories: Prevention, Fitness, Response, Leadership, and Professionalism. The Guard Start program will introduce students to: the skills needed for entry to the American Red Cross Lifeguarding course; communication and decision making skills; basic responsibilities of a lifeguard. Guard Start is designed for 10 - 14 year olds. Before entering Guard Start, participants must demonstrate these skills: swim the front crawl for 25 yards continuously while breathing to the front or side; tread water for 1 minute using arms and legs; submerge and swim a distance of 10 feet underwater. In the case of inclement weather lessons will take place indoors where students will work on lifesaving techniques and conditioning.

Age: 10-14

Code	Day	Date	Time	Fee
139102-02	M-F	8/5-8/9	9:45-10:25am	\$75/\$85

## CHALLENGE

This program is designed to help stimulate interest in competitive swimming while continuing to develop each participant's stroke techniques. Those who want to continue in a swimming program after passing Level 5 & 6 would be ideal participants for this challenging class. Swimmers must be able to complete a full length (25 yards) or the crawl stroke without difficulty. In the case of inclement weather lessons will take place indoors where students will work on form, technique and conditioning.

## DEEP WATER FITNESS

Deep Water Fitness offers you all the benefits of a well-rounded workout but with less impact on your body. In short, it offers better results with less stress. And that's not the only benefit Deep Water Fitness has over its land-based counterpart.

- Water is denser than air so you work harder and burn more calories
- The pressure of the water helps your heart pump blood around your body
- There's no pressure to 'go fast' with its extra stress on your joints.
- Water resistance provides a vigorous workout

So if you are an athlete recovering from an injury, or if you are looking to improve your overall fitness without extra stress on your joints, try Deep Water Fitness. Participants will use flotation belts (provide on own), pool noodles, kick boards and water dumbbells. We will work on range of motion, cardiovascular fitness and core strengthening using a variety of motions. You do not have to know how to swim to participate in this class. A water bottle is recommended. Walk-Ins Welcome! No class 7/4

## PARENT /TOT

Ages 6 mos - 3 years

The American Red Cross Parent/Tot Aquatic Program is designed for parents to work with their children one on one. The Parent/Tot classes help by getting children acclimated and comfortable in and around the water which prepares them for the Preschool Aquatics and Learn to Swim program. This class is designed for your child's enjoyment, not as an instructional class to teach specific stroke development. It is monitored by an instructor who offers assistance, provides drills, and tracks each child's development. The park district does not offer make up classes/refunds due to absence or inclement weather situations. Saturday swim instructors may vary from week to week. No class 7/4

- Parent/Tot classes require one parent/one child. Additional registration is required for an additional adult and child.

6 mos-18 mos

Provides experience and activities for children to:

- Learn to ask for permission before entering the water
- Learn how to enter and exit the water in a safe manner
- Feel comfortable in the water
- Explore submerging the mouth, nose, eyes and completely
- Explore buoyancy on the front and back position
- Change body position in the water
- Learn how to play safely
- Discussion on wearing a U.S. Coast Guard-approved life jacket

18 mos-3 years

Build upon previous skills learned and provides experience and activities for children to:

- Establish expectation for adult supervision
- Learn more ways to enter and exit the water in a safe manner
- Explore submerging in a rhythmic pattern
- Opening eyes and retrieving submerged objects
- Glide on the front and back with assistance
- Perform combined stroke on front and back with assistance
- Change body position in the water
- Discussion on wearing a U.S. Coast Guard-approved life jacket in the water

## READY, SET, SWIM!

Age 3

This unique swim program has been designed for independent swimmers ready to advance beyond the Parent/Tot swim program. Children who participate in this program must have previous swim experience and the ability to participate in a class without a parent present. This class includes a pool safety curriculum as well as learn to swim readiness skill introduction. Class size is limited in order to promote increased individual attention and class cohesion. Must be 3 years old prior to session start date. The park district does not offer make up classes/refunds due to absence or inclement weather situations. Must be potty trained. We reserve the right to withdraw a child from class if they are parent dependent. Please Note: pending class totals, students may be asked to move to an alternate lesson time slot. No class 7/4

## DIVING

This class is for participants who are interested in learning how to dive and its progressions from land to board. Participants must be able to change from a vertical to horizontal position in deep water, change directions and return to the side of the pool. Skills will include kneeling dives, compact dives, stride dives and standing dives with an eventual progression from land to board. For those with previous experience, skills will include approach, forward dive, tuck and pike positions. Students will develop discipline, poise, strength, and form. This class would be appropriate for Levels 3-6 "Learn to Swim." The park district does not offer make up classes/refunds due to absence or inclement weather situations. No class July 4

## LEARN TO SWIM

Ages 6-13 / Levels 1-6

The American Red Cross offers a comprehensive and developmentally appropriate swim program that teaches you, your child or other family members how to swim skillfully and safely. The prerequisite for each level is the successful demonstration of skills from the preceding level. Safety is an instrumental part of the Learn to Swim curriculum and will be reserved for inclement weather days. The park district does not offer make up classes due to absence or inclement weather situations. Saturday swim instructors may vary from week to week. Please Note: pending class totals, students may be asked to move to an alternate lesson time slot. No class 7/4

\* Anyone registering a 6 year old for the first time must provide a copy of a birth certificate to ensure equal opportunity for all registrants.

\* All new participants will be tested the first day of the session to assess their skills. They will then be assigned to a class based on their skill level.

\* Returning participants will be assigned to a class based on the last level they completed in their previous session.

\* Children may advance through levels anytime throughout the session.

\* If you have questions about your child's level the Office Staff at the Community Center can assist you when registering.

\* In the event of inclement weather, classes will be held inside.

\* Levels may be combined due to low class totals.

## CARDBOARD BOAT REGATTA

The sky's the limit – and sometimes, the bottom of the pool, when it comes to the Community Pool Cardboard Boat Regatta. Your mission...to build a boat out of corrugated cardboard and duct tape that is capable of being launched and paddled across the pool with your boat intact and all crew members onboard at the finish line. Winners are determined by fastest race times. Additional award categories have been added this year to make the event one to remember! It will be a night of hilarious fun, whether you're onboard or onshore. Will the boats float? There's only one way to find out. Concessions will be available for purchase during this event. Registration packets, to include regatta rules, will be made available at the Community Center. Pre-registration required – entry deadline Thursday, August 1st. Spectators are welcome! Rain date scheduled for Thursday, August 8th.

# Pool Rules

Parents/Guardians are responsible for the supervision of children. Lifeguards are responsible for ensuring the safety of the patrons by preventing and responding to emergencies. Pool Management reserves the right to implement and enforce rules other than those posted to ensure the safety of all patrons.

1. Current season pool pass holders must be in possession of their pool pass at time of entry.

2. Children under the age of 11 will not be admitted to enter unless accompanied by an adult over the age of 18 who will bear responsibility. Adult supervision is mandatory. Those ages 11-17 may NOT be the responsible individual for younger siblings, friends, etc.; entry will not be permitted.

3. Non-swimmers and those wearing life vests must have a chaperone 18 years or older within arms-reach at all times.

4. Parents or guardians are held responsible for supervising their children. Lifeguards are on duty to enforce rules and to respond in emergency situations.

5. The pool capacity is 600. When the capacity is met, patrons will be allowed to enter on a first-come, first-serve basis dependant upon patrons exiting the facility.

6. The Kiddie Pool is for children 0-4 years of age accompanied by an adult.

7. Everyone entering the facility must have proof of paid admission or season pass. Swimsuits are required to enter the water. All additional clothing must be clean and may require manager approval. Leotards, jeans, cut offs, shorts, street clothes, thongs, t-shirts or other swimsuits determined inappropriate by management will not be permitted. Those not in swimming attire that wish to remain in the facility must remove street shoes and may be restricted to designated area(s) within the facility.

8. Children 6 years of age and older must use gender specific locker rooms.

9. Food, beverages, chairs, coolers, and alcohol are not to be brought into the facility. Patrons attempting to enter the pool with outside food or drink will be required to return these items to their vehicle prior to entering the facility. Chewing gum is not permitted. Water in clear, unbreakable containers will be allowed.

10. A concession stand is available; food and beverages are confined to this area only.

11. Smoking, tobacco use, vape pens and other e-smoking devices are prohibited.

12. Strollers are not allowed in the locker rooms or on the pool deck during open swim or swimming lessons. Baby carriers or car seats are acceptable.

13. Admission to the pool shall be refused to all persons having any contagious disease and/or infectious conditions such as colds, fever, ringworm, foot infections, skin lesions, boils, diarrhea, vomiting, inflamed eyes, ear discharges; or any other condition that has the appearance of being infectious. In addition, CDC requirements state that patrons should wait to swim at least 24 hours after last loose stool to avoid the spread of RWI's (Recreational Water Illnesses).

14. Any child who is not toilet trained MUST be wearing secure fitting plastic or rubber swim pants. Disposable swim diapers are acceptable, but must also be covered by tight fitting plastic or rubber swim pants. Swim pants are available for purchase at the pool office. Staff will diligently check children for proper coverage and prevent those toddlers without plastic pants from entering the water. Any child who is not toilet trained must be changed in the restrooms and diapers must be disposed of in the proper containers.

15. The number one way to prevent the spread of bacteria in a public facility is frequent showers with soap and frequent washroom facility usage. Therefore, all patrons are required to shower prior to exiting the locker rooms and are asked to take regular washroom breaks during their visit.

16. For your safety, please do not ingest pool water and advise your children to do the same.

17. The use of cell phones and all other visual image recording devices are prohibited in the locker rooms. Violations of this ordinance carry fines up to \$1,000.00.

18. Chairs are available on a first come first serve basis. To allow chairs for as many patrons as possible please take one per person; chairs may not be reserved. Chairs may not be placed at the edge of the pool for safety reasons.

19. Refunds are not issued for closings due to weather situations. Future openings that day will be weather dependent.

20. Personal conduct within the pool facility must be such that safety is not jeopardized. This is a zero tolerance facility. Inappropriate behavior including but not limited to running, boisterous or rough play, shoulder riding, splash dives, excessive horseplay, smoking, swearing or acts of intimidation will not be permitted.

21. Float suits, water wings, toys, inner tubes, diving disks and sticks, balls, scuba/skin gear and all additional Personal Flotation Devices (PFD's) are not allowed in the pool without special requirements and permission from the pool administration. Only Coast Guard approved PFD's will be allowed. Designated float nights are the exception.

22. Vandalism, abusive language, infraction of rules, passing of ID's, etc. can lead to expulsion from the pool and loss of privileges.

23. To ride the water slide, patrons must be 48" tall and able to swim one width of the pool unassisted. Only one rider is allowed in the flume at a time. Children are not allowed to ride with a parent or linked with other children in "chains".

24. Water slide riders must travel feet first in a sitting or laying position on their back. Stopping, standing, or turning around in the slide is prohibited.

25. Flotation devices, swimwear with exposed zippers, buckles, rivets, or metal ornamentation, goggles, chains, glasses, earrings, etc. are prohibited on the water slide.

26. The pool has one diving board. Parents are not allowed to assist their child on the board, nor are children allowed to wear floatation devices when going off the diving board.

27. If a bacteriological incident occurs, the pool will be closed for the minimum of 3-hours and the maximum of 24-hours to ensure adequate sanitation of the facility.

28. The public address system is only for official use. Absolutely no paging.

29. All state and local health laws apply.

30. Unscheduled pool closings:

\*Air temperature falls below 70 degrees

\*Low attendance

\*Lightening or thunder in area

\*Daily hours may be adjusted and/or sections of the facility closed due to staff availability

\*Maintenance

Whenever additional rules or regulations are deemed advisable for the protection of the health and safety of the patrons, management shall put into effect such rules, either printed or verbal. Exceptions to the rules are only allowed with permission from management.
